Dear Colleague,

The Argentine Organizing Committee takes great pleasure in inviting you to the **World Library and Information Congress: 70th IFLA General Conference** which will take place in Buenos Aires, Argentina from Sunday 22 to Friday 27, August 2004.

The main subject of the Conference is: ***Libraries: Tools for Education and Development.***

The program includes open forums, workshops, poster sessions, groups of debate, lectures and satellite meetings. All these activities will be focused on important subjects for librarians.

There will also be a book exhibition, presentations of computing systems and library equipping, and so on.

We expect to count on the participation of more than 3.000 librarians from all over the world.

Your presence in these meetings will certainly contribute to have a successful World Conference.

We are sure that you understand that our budget does not allow us to be in charge of your registration fee and all other costs, but we hope that you can obtain from some institution the funds needed for your participation.

We suggest you to take into account those travel insurances usually recommended when going abroad.

Best wishes and regards.

Cordially yours,
